

What HBS Non-housing do.

West Lothian council Housing and building services Non-housing works consist of a large variety of projects ranging in value from small maintenance repairs on all West Lothian council properties to complete refurbishment works and new build extensions. Some of our recent contracts as shown below have ranged in value from £20,000 to £500,000. All our works involve a large and varied specification and cover all trades and also specialist sub-contractors.
